

YMCA of Greater Seattle
TEEN ADVENTURE TRIP PARTICIPANT AGREEMENT

YMCA is pleased to offer quality Teen Adventure Trips. Our experienced and concerned staff encourage personal growth in developing healthy values and provide excellent leadership training that will carry over into all aspects of life.

The attitude and willingness of each participant to use good judgment, act in a responsible manner and remain task oriented have a great effect on the experience of all other participants. Therefore, to insure a good experience, protect the standards and goals of the program, and keep everyone safe, we are expecting our participants to follow some minimum rules.

As a participant of a Teen Adventure Trip, it will be your responsibility to:

- Participate in the whole program, including activities of work, play, and values sharing.
- Support policies prohibiting possession or use of tobacco products, alcoholic beverages, or nonprescription drugs while on a Teen Adventure Trip.
- Follow safety instructions, remain in areas designated by staff, and refrain from behavior that is harmful.
- Develop caring relationships within the group, but not engage in intimate sexual behavior
- Respect the rights and privacy of others including personal belongings.

If the participant and parents/guardians cannot agree with the above rules, enrollment should not be completed. Violations will result in the experience being terminated without refund of fees. In addition, parents/guardians will be responsible for any and all transportation expenses incurred in returning a participant home for violation of this agreement.

After reading the above and the release statement, please sign and return this agreement no later than fourteen days prior to the trip's start date.
