

Attention Members & Guests:

To help ease congestion in our Coal Creek Family YMCA parking lot at peak times of the day, we are implementing a temporary Complimentary Valet Service starting Tuesday, January 18th.

Your time and experience at our Y is important to us and we know that during the busy winter months there are times when finding parking in our lot can be a challenge. To help get you quickly into our Y and your activities, we will be offering this free service on the following days & times:

Monday-Thursday
7:30 – 11:30 am
4:00 – 7:00 pm

Here are a few details to help make your experience using this new service easier – it's as easy as 1-2-3!

- STEP 1:** Drive around to our side parking lot. An attendant will greet you and direct you to an open spot in our "drop off area".
- STEP 2:** The attendant will then give you a ticket and will re-park your vehicle into our back parking lot.
- STEP 3:** When you are ready to leave the Y, present your ticket to the attendant stationed by the side door and they will retrieve your car. **NOTE: Gratuity is not expected or encouraged – this is our service to you!**

We anticipate offering this temporary service through February and will evaluate along the way. We hope you find this service is a good added benefit to your member experience. As always please let us know if there are ways we can improve – we value your input.
