## DOWNTOWN SEATTLE YMCA

### MAKING A DIFFERENCE EVERY DAY

For over 130 years, the Y has delivered on its promise to build a stronger, healthier community. Every day, the Y is making a difference in the lives of others:

- Families in crisis who need professional counseling
- Youth leaving foster care without safe and stable housing
- Adults unable to afford medical care and healthy activities
- Families without access to quality day care

But we couldn't do it without you. The Y's annual community support campaign makes sure we live out our commitment to nurturing the potential of youth, promoting healthy living, and fostering a sense of social responsibility.

### YOU CAN HELP

Your gift provides housing and skill-building for homeless young adults, and opens doors for low-income adults and families to become healthy and thrive. The YMCA's proven track record of impact and stewardship (97 cents of every donated dollar are designated to programs) means that supporting the Y is a sound investment in changing lives.

Together, we can help youth and families dream of a brighter future. Join us!
