The Seneca street exit is not accessible for traffic merging from I-90. From I-90 merge to I-5 north and stay to the right to take the Madison Street exit. Turn right on Madison. You will pass several of the parking options on 7th & 8th and Madison, which are four blocks up-hill from the YMCA. *OR* If you have mobility issues and are unable to walk up and down the hill, turn left on Madison. * Although the Union Bank of California Building is the closest parking to the YMCA, they now no longer give us a discount rate and are quite an expensive parking option. We discourage staff from parking there unless they are unable to find other parking, have mobility issues or have to drop off or pick up heavy loads.
