## Earthquake & Tsunami Relief Response YMCA OF GREATER SEATTLE

In response to widespread suffering and critical needs in Japan caused by the massive earthquake and tsunamis, the YMCA of Greater Seattle is fundraising to assist the Japan YMCA as its 31 branches unite to respond to impacted communities. Displaced families are currently receiving shelter, food and support at the Sendai YMCA and Morioka YMCA, and plans are underway for the ongoing relief response. The Seattle Y has worked closely with Ys in Japan for nearly 50 years and is committed to supporting long-term relief efforts.

Youth and families whose homes and livelihoods were destroyed by the disaster receive hot food, shelter and community support at the Sendai YMCA.
