IMPACT STORY

Dirk finds himself completing college applications with his daughter and helping his son prepare for fall sport programs at Skyview Jr. High this fall.

He is thankful to be friends forever with his children in part to Northshore YMCA's Adventure Guides program. Subject lines on the email updates such as Camp Colman or Camp Orkila campouts, or the Pinewood Derby bring back memories.

Dirk hopes to forge a similar priceless bond with his grandchildren with the Y in the future.

“I'm thankful to say I am "Friends forever" with my children in part to Adventure Guides.”

“It has been many years since I've participated-and I have life long memories of every moment.”

“I hope to be back at Colman, Orkilia, or building pine wood Derby cars some day with my grandchildren some time.”
