SPLASH BLAST PARTY

We are happy to offer exclusive use of our pool to our members for pool parties! Available Saturdays from 1:15-2:15pm in the pool and 2:30-3:30pm afterward in the conference room. All children will be swim tested. If a child does not pass the swim test, the child must be accompanied by an adult in the water. **There must be one adult in the water for every child who cannot pass the swim test.**

ADD THE LOCH NESS INFLATABLE!

Looking to add a little more fun to your child's Big Splash Party? Add the Loch Ness Monster! The Loch Ness Monster is an inflatable sea serpent that stretches across the length of the deep end of the pool. Children must pass the swim test to be able to use the Loch Ness Monster.

ADD THE ICEBERG INFLATABLE!

For advanced fun, consider the iceberg inflatable! The Iceberg is an inflatable climbing wall and slide that stretches across the length of the deep end of the pool. This play structure is only recommended for children ages 10 & up. Children must pass the swim test to be able to use the Iceberg.
