Birthday Parties

Life of the Party

A birthday is a special event in the life of every child. These are days that help children build confidence in who they are as a person. Children connect with their friends in a positive setting, learn life skills such as sharing and saying “Thank You”, as well as interact with multiple ages. We’re here to help you give your child a wonderful day, planned especially for them– their whole, wiggly, active self. Children will run, jump, smile, giggle and, of course, remember this day with friends and family for years to come.

ALL IN THE DETAILS

Parties take place in Kids Gym where children jump, roll, and crawl on big, fluffy mats. Great for ages 2- 6. Tables are set up with **table cloths, fun music is playing**, and a pitcher of water and cups are on hand to keep the children hydrated. Each party is welcome to bring in food, cake and other beverages but be aware that the University Family Y does not have cooling or heating appliances. One staff is on hand to set up, meet and greet, help fill out **waiver forms**, watch for safety concerns, keep the timeline moving along on schedule, and clean up.

Parties include up to 15 children , run for 1.5 hours, and cost \$125 for Facility Members; \$150 for Program Members and Community Members . Adults and infant siblings are welcome to attend at no additional cost. Payment is needed in full to reserve a party. Availability depends on facility and staff schedules.

Some families choose to bring in outside vendors such as magicians, clowns, balloon artists, etc. These arrangements are welcome, but must be contracted and paid for by the family, separate from arrangements with the Y. A Guest Pass is not needed for vendors or party guests to enter the facility, however, they are the responsibility of the party hosts, and must leave the facilities at the end of the party. Vendors will need to sign-in with the front desk, and bring a picture ID. While in the facilities, they must adhere to the Y’s Code of Conduct.
