

KIDS UNIVERSITY

FALL TRIMESTER • Sept 7, 2010—Dec 17, 2010

MONDAY

Comedy Class 4:15-5:15

Learn the art of making people laugh! This class will focus on improv skills, teaching children increased social skills and how to be really, really funny!

Planet Earth 4:15-5:15

Get ready to explore our planet! We'll learn about dinosaurs, animals, cultures as well as ways to help keep mother earth safe from current problems.

Kick Ball 5:15-6:00

This class will put our YMCA values into action while playing the classic game of Kickball. We'll also learn strategies for the game as well as invent new ways to play.

Tutoring 5:15-6:00

Spend the hour powering through your homework! Staff will assist with homework and provide fun learning games and brainteasers.

TUESDAY

Floor Hockey 4:15-5:15

It's time to grab our sticks and learn the sport of Hockey. We'll teach skills such as passing, defending and shooting while putting a focus on teambuilding and sportsmanship. We'll divide the kids into age appropriate groups to ensure every skill level will be covered in this class.

Jewelry Making 4:15-5:15

Each week, we'll be learning how to make earrings, necklaces, bracelets with everything from beads, rocks and minerals. This is a Kids U favorite and space is limited!

Gym Games 5:15-6:00

This is a class for everyone! We'll play all of the favorites, everything from dodge ball to tag! Through sportsmanship and teambuilding, we'll be working with each child to increase their skills in all areas, not just sports.

Tutoring 5:15-6:00

Spend the hour powering through your homework! Staff will assist with homework and provide fun learning games and brainteasers.

WEDNESDAY

Tahitian Dance 4:15-5:15

Come take a trip to French Polynesia and learn about the drums, dance, and culture of Tahiti.

Climbing 101 4:15-5:15

If you like to climb, this class is for you! We'll work with each child on technique and tips that will make it easier to climb our Turner Tower. We'll also be teaching the different climbing knots and different types of gear that can be used.

Recycled Art 5:15-6:00

"One person's junk is another person's treasure." Spend the hour working on creating new pieces of art by using materials such as duck tape, magazines, clothing and paint. You bring an open mind, we'll bring the fun!

THURSDAY

Slimy Science 4:15-5:15

We'll be pushing the boundaries on science by creating things that will be squishy, slippery and slimy! In this class, we'll create things such as gak and experiment with paper-mache. Don't dress nicely for this class because it's going to get messy!

Interior Design 4:15-5:15

Have you ever wanted to remake your bedroom? Well here's your chance. We'll be building, painting and creating things that will spruce up any room of the house. Everything from bookshelves to light switch covers will be created in this Kids U first time class.

Cardio Blast 5:15-6:00

Join a YMCA instructor for tons of creative ways to get moving! Make friends, play new games and get healthy!

Tutoring 5:15-6:00

Spend the hour powering through your homework! Staff will assist with homework and provide fun learning games and brainteasers.

FRIDAY

Creation Station 4:15-5:15

Lego's, Lego's, Lego's!!! This class will push the limits of imagination as we use lego's to build cities, space ships, automobiles and much, much more.

Painting 101 4:15-5:15

In this class, we'll work with watercolors, oils and acrylics to create bold new art to take home. At the end of this class, we'll also be hosting a gallery to showcase all of our work! So sign up now to take part in the fun.

Board Games 5:15-6:00

Whether it's Chess or Scrabble, this class will focus on strategy and skill building in several different games. We'll also be learning new card games and having the class create their own new game to play at home with their family.

EVERYDAY

T.R.E.C 3:30-4:15

Transportation, Recreation, Eating and Camaraderie
Participants arrive at the YMCA, eat nutritious snacks, play in or out, get help with homework, and catch up with friends.

Kids University is a way for school-age children to laugh, have fun and learn after school. Each trimester, Kids U offers a wide variety of enriching classes, designed to supercharge their brains, discover new friends and have fun!

For more information, contact Chris Robinson at 206-569-7025 or visit www.daleturnerymca.org

DALE TURNER FAMILY YMCA
FALL KIDS UNIVERSITY 2010

FALL REGISTRATION FORM

Students are enrolled for the entire trimester and will be accepted at any time on a space available basis. **Classes will be held at the Echo Lake Elementary School on Monday, Tuesday, Thursday and Friday. Wednesday classes will be held at the Dale Turner Family YMCA.** Schedule is based on the Shoreline School District calendar. Payment is made prior to participation either in full or on an installment plan by bank draft or recurring credit card. All participants must be YMCA members. Financial assistance to the extent possible is made available through YMCA Partners with Youth Campaign and United Way Funding. Everyone is welcome at the YMCA.

****Transportation provided to classes for Syre Elementary and Echo Lake Elementary**

REGISTRATION BEGINS JUNE 18th

- 1. Choose your child's classes.** Place a check mark in the box for each class your child will attend.
