

PARTNERS WITH YOUTH

WEST SEATTLE & FAUNTLEROY YMCA QUICK FACTS

A History of Service For nearly 90 years, the YMCA has been helping youth, teens and families in our community to develop their fullest potential in spirit, mind, and body. Our Partners With Youth Campaign gives kids of all income levels access to innovative programs that help them develop skills, build health and well-being and overcome barriers to success.

Challenges in our community

Nearly ¼ of the children in King County have multiple risk factors including poverty and an unemployed or absent parent
Less than 60% of Seattle's public high school students graduate with their class.
More than 80% of youth in our area report that they don't have enough people and resources in their lives to grow up to be successful adults.

YMCA Solutions

Helping thousands of kids in elementary, middle, and high school achieve greater academic success through free Community Learning Center programs.
Providing high quality preschool and school-age child care to more than 150 families
Connecting caring adult role models to the children we serve
Leveraging the \$400,000 in Partners With Youth donations to secure more than \$800,000 in additional city, state, federal, and private funding.

BUILDING OUR FUTURE

Please give to the West Seattle & Fawntleroy YMCA Partners With Youth Campaign. Your gift will make a difference to the families of our community.

\$10/month (\$100)

Provides an entire semester's enrichment activity for a student at a YMCA After-School Community Learning Center to build a stronger bond to school, support and complement their school-day learning, and help them succeed.

\$15/month (\$150)

Gives a family access to a month of quality, licensed child care that balances fun activities with homework help and healthy snacks before and after school.

\$25/month (\$250)

Creates opportunities for three youth ages 6 – 12 to nurture their spirits, challenge their minds and strengthen their bodies at a week of Summer Day Camp or Discovery Camp.

\$50/month (\$500)

Builds self-esteem and a love of physical activity for an entire team of children in Youth Sports, or two full classes of Swim Lessons.

\$100/month (\$1000)

Gives three incoming freshmen two weeks of a 9th Grade Summer Academy where they'll build relationships with their new schools teachers and Y staff, get adjusted to the challenges of high school, and come back to school ready to learn.
