GET TRAINED BECOME A LIFEGUARD

Aquatic Trainings - 2017

AUBURN VALLEY YMCA

REGISTERING FOR Y TRAININGS

Registration is completed in two steps. First you must register on the YUSA training site on Yexchange.org. Payment will not be collected on Y-exchange, but registration is necessary on this site for certification management. Then register and pay at the Y's or online. If registration is not completed correctly, the participant may not be accepted. Class details are located on Y-exchange. Please contact rcelver@seattleyymca.org with questions.

LIFEGUARDING

Lifeguarding is a 28hr course with an additional 8-10hrs of pre-work online modules for Lifeguarding, CPR, First Aid, and Oxygen administration. It is also important that participants can complete the swimming skill prerequisites. Please contact rcelver@seattleyymca.org if you would like practice support or skill confirmation before the registration deadline. You may be required to complete the prerequisites before class begins.
