CLASS DESCRIPTIONS

ADULT RECESS. Participants in this group work hard, but they play harder. Hula hoop, boot camp, dance, Pilates, strength, step, dodge ball, jump rope... we do it all!

AOA CARDIO. Combine fun with fitness to increase your cardiovascular endurance with a great work out.

AOA CARDIO DANCE & FLEXIBILITY. Tailored for older adults, this lively low impact workout combines fun dance moves to improve cardiovascular endurance, strength, and flexibility.

AOA CHAIR FITNESS. Have fun and move to the music through a variety of exercises designed to increase strength, range of motion, and activity for daily living. Light hand weights, bands and exercise balls are offered for resistance and a chair is used for seated and/or standing support

AOA CHAIR YOGA. Great for people with mobility or balance difficulties. Yoga poses are done standing near or seated in a chair.

AOA STRENGTH. Move to the music through a variety of exercises designed to increase muscular strength, range of movement, and activity for daily living.

FOUR SQUARE. A ball game played on a square court divided into quadrants. Easy rules and fun to play! No experience required.

HEALTHY BACK. This class works to strengthen the lower back and abdominal muscles, increase flexibility and relax the muscles surrounding the spine. Great for all fitness levels.

ZUMBA 101. A Latin-inspired dance class! Have fun and get a great cardio workout. No dance experience needed, great for all fitness levels. The 101 series provide a slower pace.

SOCIAL DANCING. A fun, easy-paced class suited for beginners of all ages. We rotate through different ballroom and other partner dances, including salsa, west coast swing, and rumba. No partner needed, feel free to drop in and join our fun community of dancers!

TAI CHI 101. Learn the fundamentals of Tai Chi, move through the poses slowly while learning the principles behind this martial arts practice. This class is important to anyone who has never done Tai Chi before.

TAI CHI INTERMEDIATE. This class is for those who have practiced Tai Chi previously. In this class you will practice the whole form and focus on a section in more detail.

TAI CHI FIRST SECTION. A system of exercises intended to promote mental focus, physical strength, balance, and coordination of mind and body. This intro class focuses on the first section of the form, working on basic postures and movements, and discussion of the core principles. The Form is presented in a sequential manner, studying one new movement each week. The First Section is ideal for those beginning their study of Traditional Yang Family Tai Chi Chuan.

TAI CHI SECOND SECTION. For all those who have studied the First Section of Traditional Yang Family Tai Chi Chuan, or with Instructor's permission.

TAI CHI THIRD SECTION. For those who have studied the First and Second Sections of Traditional Yang Family Tai Chi Chuan, or with Instructor's permission.

AOA AQUA FITNESS. Designed to enhance each individual's quality of life and daily function. Participants utilize the physical properties of the water to enhance agility, range of motion, and cardiovascular conditioning. Instructors help participants develop strength, balance, and coordination. No swimming ability is required as you learn in a format that is safe, fun, and effective.

AQUA FITNESS-MIXED DEPTH. Enjoy the benefits of a shallow and deep water workout by using the full length of the pool. Travel and transition from shallow to deep water will enhance your cardiovascular and strength training for a complete workout.
