CLASS DESCRIPTIONS

ABOVE THE BARRE. A challenging and unique workout designed to sculpt and strengthen your entire body, as well as increase your flexibility. Use your own body weight and light free weights to define and tone. Meant to be done barefoot, but not required.

ADULT RECESS. Participants in this group work hard, but they play harder. Hula hoop, boot camp, dance, Pilates, strength, step, dodge ball, jump rope... we do it all!

BELLY DANCING. This body-positive ethnic dance welcomes all levels of exercisers. Primary focus is on hip movement, but also includes arm and hand technique, shimmies, traveling steps and danceable combinations.

BOLLYWOOD FITNESS. Inspired by the high energy music of Indian films, this mixed level class combines traditional Indian folk dance movements with modern dance techniques and exercise components to create a complete body workout. You will have fun, feel energized and get fit, all at the same time!

BOOT CAMP. Get an extreme workout! Dial up the adrenaline for a range of heart-pumping and strength-building exercises. May include plyometric, calisthenics, circuit training, speed work, and more, using body weight and other equipment.

CARDIO KICKBOXING. Learn boxing and martial arts moves in this high-energy class with challenging cardio intervals. Punch, kick and block your way to greater fitness.

CARDIO STRENGTH. This fun and challenging total body work-out will test your strength and stamina while taking your conditioning to a whole new level. This class will define and strengthen your muscles by constantly switching up the intensity by using weights, balls, bands and other equipment.

CYCLE CIRCUIT. Combine your cycling with bursts of strength training for a total body workout that never gets boring. This class includes half strength work and half cycling in varying intervals.

EXPRESS CORE STRENGTH. Increase your strength, stability and balance by targeting the muscles of your abs, back and legs using a variety of techniques and equipment.

HEALTHY BACK. Strengthen your lower back and abdominal muscles, increase flexibility, and relax the muscles surrounding the spine. Great for all fitness levels.

KARATE⁵. Increase physical fitness, build confidence, and respect for others through Karate. This ancient martial art incorporates a variety of techniques, including blocks and strikes. Registration is required.

KICKBOXING BOOT CAMP. A combination of cardio kickboxing moves with boot camp style strength-building exercises.

MAT PILATES. This class is designed to increase core strength and flexibility plus align the mind and body. Series of movements are linked with the breath and performed from a sitting, reclining, or standing position.

NIA. Enhance your physical, mental, emotional and spiritual well being through expressive movements of NIA, a body-mind-spirit fitness and lifestyle practice.

SOCIAL DANCING. A fun, easy-paced class suited for beginners of all ages. We rotate through different ballroom and other partner dances, including salsa, west coast swing, and rumba. No partner needed, feel free to drop in and join our fun community of dancers!

STEP. Enjoy fun, low-impact stepping using different speeds and choreography.

STEP & STRENGTH. Enjoy step routines for the first half of class and strength training exercises in the second half.

STRENGTH TRAINING EXPRESS. Strengthen and tone your muscles using weights and other resistance equipment in this 30-min class.

TAI CHI 101. Learn the fundamentals of Tai Chi, move through the poses slowly while learning the principles behind this martial arts practice. This class is important to anyone who has never done Tai Chi before.

TAI CHI INTERMEDIATE. This class is for those who have practiced Tai Chi previously. In this class you will practice the whole form and focus on a section in more detail.

TAI CHI FIRST SECTION. A system of exercises intended to promote mental focus, physical strength, balance, and coordination of mind and body. This intro class focuses on the first section of the form, working on basic postures and movements, and discussion of the core principles. The Form is presented in a sequential manner, studying one new movement each week. The First Section is ideal for those beginning their study of Traditional Yang Family Tai Chi Chuan.

TAI CHI SECOND SECTION. For all those who have studied the First Section of Traditional Yang Family Tai Chi Chuan, or with Instructor's permission.

TAI CHI THIRD SECTION. For those who have studied the First and Second Sections of Traditional Yang Family Tai Chi Chuan, or with Instructor's permission.

YOGA. Yoga is an ancient practice that uses a combination of relaxation, breathing techniques and exercises to combat stress, help circulation and movement of the joints. This practice integrates both body and mind through safe alignment and balanced breath. Build up your strength, stability and postural integrity while practicing mindfulness and breath awareness. It can be practiced by anyone to achieve greater health.

YOGA-POWER. A fitness based approach to yoga, balancing strength and flexibility for those with previous yoga experience.

ZUMBA. A Latin inspired dance class! Have fun and get a great cardio workout. No dance experience is needed -great for all fitness levels.

ZUMBA TONING. This class adds light free weights to a Latin-inspired dance fitness party.

101 SERIES. Geared towards members who are new to exercise or to the class. Learn basic instruction, form and concepts. While not required for regular classes, the 101 series provides a slower pace, individual attention, and time for questions and answers.
