## DESCRIPTIONS

### REC/FAMILY SWIM

Enjoy a recreational swim time for the whole family during this scheduled activity. **An adult 18 years or older must accompany children in the water. All participants age 13 and under must pass a swim test to swim without a parent in the water.** For children who are still in the beginning stages of learning to swim, they must be actively supervised no further than an arm's length away from an adult guardian at all times. No more than two non-swimmers per adult. Lifejackets are available, if needed. This is also a great time for kids to practice what they have learned in swim lessons!

### LAP SWIM

**This is a time set aside for lap swimming only for ages 14 and older. We reserve the right to use a lap lane for swim lessons during lap time.** Exceptions may be made for youth who are proficient lap swimmers as determined by a lifeguard and lane availability. Younger lap swimmers should be able to swim non-stop crawl stroke for 75 yards. We encourage all swimmers to circle swim and work together during peak times. Please choose a lane that best fits your speed.

All swimmers under 14 years of age must abide by the **lap swim test policy**. We encourage all participants to work together during peak times and be courteous to the exercisers around them. Look for the signs on the pool deck to indicate which space in the pool is used for this activity.

**Family lap swim** is an opportunity for children to swim laps and practice their swim skills. Participants ages 13 and under must be accompanied by an adult 18 years or older and directly supervised during this time in the same lane. Participants ages 13 and younger who would like to swim without an adult must be able to pass the posted lap swim test.

**Limited lap swim** during this time, other programs may be utilizing some of the lap lanes. Available lap lanes will be limited and may be designated for specific groups based on location. Please be courteous of other swimmers and use circle swimming when two or more swimmers are in one lane.

s = single lane d = double lane, t = triple lane

### MASTERS SWIM

You don't have to be a "Master" to join Masters Swimming! This program is open to all adult swimmers (fitness, triathlete, competitive, non-competitive) who are dedicated to improving their fitness through swimming. One of the greatest benefits of Masters swimming is to be able to practice with an organized group.

**Masters \$** is a paid class. There will be a coach available during this activity on Tuesday and Thursday. Register online or at member services.

### WOMEN'S SWIM

Enjoy a special women's only swim offered twice per month. After closing hours, the Y stays open for women to enjoy our pool areas (swimming pool, sauna, steam room and hot tub) on the first and third Saturdays of the month! Open to women and girls ages 10 and up, and children (male or female) 6 months to 5 years can attend. All women staff present during program. Check-in begins at 5:45 pm and doors locking at 6:30 pm. It is first come, first serve with 30 participants max. This program is free for facility members and \$5 per person for community participants.

### POOL CLOSURES

- Saturday, September 2 to September 10 the West Seattle YMCA facility will be completely closed for facility improvement week.
