DOWNTOWN SEATTLE YMCA DROP-IN GROUP EXERCISE SCHEDULE
aroy@seattleyymca.org

- ! Boxing gloves required for class
- * Class is accessible to people who are new to exercise.
- # Free to members, fee-based for non-members: Requires pre-registration with Member Services before starting class.

ABOVE THE BARRE
A challenging and unique workout designed to sculpt and strengthen your entire body as well as increase flexibility. Use your own body weight and light free weights to define and tone. Meant to be done barefoot, but not required.

AQUA FITNESS
A variety of aerobic movements are performed in the shallow end of the pool to increase heart rate and provide both a cardiovascular and strength training workout. Water equipment may be used in this low-impact, high-intensity water workout.

BIGGER, FASTER, STRONGER
Incorporates movement LSVT Big Program as well as a balance and core strengthening. Great addition to Pedaling For Parkinson's

BODY SCULPT
Tone and burn in this strength movement class, which incorporates free weights, resistance bands and body weight. Perfect for all fitness levels.

CARDIO BOXING
Learn boxing and martial arts moves in this high-energy class with challenging cardio intervals. Punch and block your way to greater fitness!

CARDIO HIP HOP
Bust a move, break a sweat and have the most fun you can in a lunch hour. Great music and instruction will inspire you to find your inner dancer. This is a fun class!

CARDIO H.I.I.T.
High Intensity Interval Training combines a variety of high intensity circuits to challenge your fitness level, tone your muscles and burn calories

CARDIO STRENGTH
This high energy class will appeal to a wide-range of exercisers. This is a fun class that utilizes body bars, dumbbells and resistance bands.

CYCLE - 45
This 45-minute class focuses on interval training, simulating various terrain on a stationary bike is an effective and non-impact cardio work-out. You are in control of the bike resistance, so the class is accessible to a wide-range of exercise abilities.

CYCLE - ALL LEVELS
Interval training, simulating various terrain on a stationary bike, is an effective and non-impact cardio work-out. You are in control of the bike resistance, so the class is accessible to a wide-range of exercise abilities.

CYCLE - POWER PEDAL
High intensity interval training for intermediate to advanced cyclists.

Group Exercise Schedule is subject to change without notice.

FUNCTIONAL STRENGTH FOR EVERYONE
Be strong at any age! This class is designed for older exercisers and those who are new to strength training. You will work your muscles in a way that simulates daily activities increasing your stability and mobility

H.I.I.T. (or High Intensity Interval Training)
A class in which you give all-out, one hundred percent effort through quick, intense bursts of exercise, followed by short, sometimes active, recovery periods. This high intensity class will use weights, TRX, core exercises, cardio and other equipment getting your heart rate to peak performance to burn fat and calories efficiently.

INTENSITY
A high intensity cardio-conditioning workout that provides support and group motivation to work toward your highest potential and unleash your inner athlete, no matter where you're starting from. Designed for all levels, moves can be modified.

INTRODUCTORY MEDITATION FROM KADAMPA MEDITATION CENTER
The purpose of meditation is to make our mind calm and peaceful. If our mind is peaceful, we will be free of worries and mental discomfort, experiencing true happiness and relaxation. These classes provide an opportunity to learn how to meditate and how to use our experience of meditation to positively affect all aspects of daily life.

MAT PILATES
This class is designed to increase core strength and flexibility plus align the mind and body. Series of movements are linked with the breath and performed from a sitting, reclining, or standing position.

PEDALING FOR PARKINSON'S
This tandem cycling class is for individuals with Parkinson's Disease. Participants pedal at a standardized pace during the class. This activity has been shown to decrease symptoms of the disease.

OULA@ DANCE FIT
This is a high-energy, easy to learn, calorie burning, crazy-fun dance workout to Top 40 hits. Classes are one epic hour of sweat, joy and total inspiration! Dancemania for the soul!

RHYTHMIC DANCE-FIT/DANCE-FIT
Combining multiple dance disciplines, this high cardio class will strengthen and tone muscles, while being low impact on bones and joints.

TOTAL BODY CONDITIONING
This fun and challenging total body workout will test your strength and stamina while taking your conditioning to a whole new level. This class will define your muscles by constantly switching up the intensity using weights, balls, bands, body bars and other equipment.

TRX BLAST!
High intensity 30-minute class. Increase strength and flexibility in our TRX Blast class. Burn calories and tone muscles just in time for happy hour!

TRX
Learn to leverage gravity and your body weight to perform hundreds of exercises on the TRX Suspension Trainer. Burn calories and tone muscles.

TURBO KICK@
This class combines traditional kickboxing moves with high-intensity interval training (HIIT) for an unbelievable caloric burn.

UNWIND YOUR SPINE
Class celebrates all spinal movements (extension, flexion, lateral flexion and rotation) and ease of breath. Dedicated to releasing muscular tension to create greater range of movement.

YOGA - ALL LEVELS
This method of yoga practice integrates both body and mind through safe alignment and balanced breath. Build up your strength, stability and postural integrity while practicing mindfulness and breath awareness.

YOGA - GENTLE
Traditional yoga poses are modified with an emphasis on a slower pace accompanied by the breath and stilling the mind. Relaxing and energizing.

YOGA - HATHA
Hatha Yoga emphasizes relaxation, body flexibility, strength and personal concentration. This class is open to all yoga levels

YOGA - FLOW
This class strives to maintain awareness and focus on the breath while moving through a series of postures. This style of yoga builds heat, flexibility, and strength while maintaining focus on good alignment.

YOGA - INTERMEDIATE
This class goes beyond the basics of yoga. Geared for students who have prior yoga experience, the class uses the standing poses and their foundation to build a more advanced flow. (Not recommended for beginners.)

YOGA PILATES FUSION
Yoga and Pilates exercises are fused through modern dance in flowing routine that will focus on strengthening, toning, stretching, body awareness and finding balance in your body.

YOGA - POWER VINYASA
Powerful energetic flow, where students fluidly transition from one pose to the next using breath to movement technique. Class designed for all levels. Good compliment to your strength and cardio workouts.

YOGA - RESTORATIVE
A relaxation class utilizing blankets and bolsters where breath is the main focus and no strenuous activity. Similar to meditation, this practice calms your mind and reduces stress.

YOGA SCULPT
When Strength & Core meets yoga, Sculpt is born. Boost metabolism and build lean muscle mass in this total body workout. You'll combine free weights with basic yoga sequencing and cardio to intensify each pose while mixing in strength-training moves like squats, lunges and bicep curls, jamming to upbeat music.

YOGA - YIN
Traditional yoga poses are modified with an emphasis on a slower pace accompanied by the breath and stilling the mind. Relaxing and energizing.

ZUMBA@
A Latin-inspired dance class! Have fun and get a great cardio workout. No dance experience needed, great for all fitness levels.

ZUMBA@ - BARRE FUSION
Interval based training of fast and slow rhythms combined to sculpt your body while burning fat with Barre techniques to develop your muscular endurance. 35-40 minutes Zumba with 15-20 minutes Barre and a cool down. For All Levels!
