

Join us as we offer a family camp program at **Cornet Bay Retreat Center** located at Deception Pass. We often get requests for a family camp in the summer, but our camp properties are full with summer resident camp. Now your family has a chance to experience a program similar to our excellent family camps that we offer at Orkila and Colman, but at a new location.

Activities will include water-based fun for youth and adults, beach exploration with marine naturalists, traditional camp activities like archery and crafts, and options for exploring the wonderful area around Deception Pass State Park. Childcare\* will be available for a 3 hour block so adults can have their own adventure. (\*children must be toilet-trained; included in fees)

Check in will begin at 4pm; check out will be at 12pm. Please note that dinner will be the first meal served, and a sack lunch option will be provided on your last day. Our kitchen will be nut-free for the duration of the weekend.

Both the bunkhouse and duplex have bathrooms and showers, whereas cabins *might* have those facilities inside; showers and restrooms are nearby those that don't.
