Northshore YMCA

The YMCA of Greater Seattle has a vision that one day, all kids, families, adults and seniors in the Greater Seattle Area will have equitable opportunities to improve their health and well-being and reach their full potential. Together, alongside our neighbors at 13 branches, two overnight camps and hundreds of program sites across King and South Snohomish County, we're tackling our community's most urgent needs – giving people hope for a better future and the means to achieve it.

OUR FOCUS

Developing Confident, Resilient Youth

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. Your support gives 29,000 kids of all ages the opportunity to learn about teamwork, diversity, and build character in the great outdoors through our overnight and day camps, outdoor education programs and leadership development programs.

Enhancing Health and Building Community

The Y is where community happens. People of all stages of life come together to laugh, learn, exercise and collectively strengthen their community. Your support provides financial assistance to those who need it most, helping them find a place to belong regardless of their financial situation. Additionally, we continue to build relationships and strengthen community bonds with 1,000 newcomer immigrants through cultural celebrations, English language programs and more.

Caring for Those Who Need Us Most

We take on the most urgent needs in our community and keep our doors open to all. Your support provides housing for 280 homeless young adults; mental health counseling for more than 3,700 youth, young adults and their families; and a drop-in resource center, open four days a week, to connect more than 1,700 young people with the education, employment and other resources they need to get back on their feet. Because when basic needs are met, everyone has a better chance to reach their full potential, and our community grows stronger.

TRANSFORMING LIVES

Before Triny joined the Y's Community Learning Center program at her school, she was introverted, unmotivated to do well at school, and lonely. But after two years in the program, Triny is a whole new person.

Her grades are so improved she no longer needs remedial math and reading classes, she's thinking about college, and she's made new friends with the encouragement and support of other students and program staff.

"I am thankful for this program. It has opened my daughter's eyes to a whole new world of possibilities."

WE CAN'T DO IT ALONE.

Donating to the Northshore YMCA has a lasting impact on the people served in this community. Donate today for a better us.
