PROGRAMS

AQUA FITNESS

Shallow water exercise, walking, running, jumping and a variety of aerobic movements are performed to increase the heart rate and provide a cardiovascular and strength training workout while utilizing the water's buoyancy and resistance. In deep water, float belts and resistance weights are used to provide a no-impact cardiovascular workout.

REC/FAMILY SWIM

Enjoy a recreational swim time for the whole family during this scheduled activity. An adult 18 years+ must accompany children in the water. All participants **13 and under must pass a swim test** to swim without an adult in the water. Please see our **Swim Test Policy**. (Adult Rec Swims are for participants 18 years of age or older.)

LAP SWIM

Lap swims are for ages 16 and up. Exceptions **may** be made for young adults who are proficient lap swimmers as determined by a lifeguard and lane availability. We reserve the right to use a lap lane for private swim lessons during lap time. Water walkers should follow lap etiquette on a space available basis.

MASTERS SWIM TEAM

Masters Swim is a structured and competitive-level team for swimmers ages 18 and up. A US Master Certified Coach is on deck leading a practice (approx. 2 miles). There is a combination of drill work and working sets. Skill ranges from intermediate to advanced (swimmers with strong lap experience or competitive swimming experience). If you can 30-35 laps in an hour, this class is probably right for you!

There are no lap lanes available during Masters. Participants must show up at the beginning of practice to attend.

SWIM LESSONS / PRIVATE SWIM LESSONS

Group and Private swim lessons are available for all levels and ages of swimmers. Contact the aquatics coordinator for more information and registration. The pool will be closed to members during swim lesson times. Private lessons may be held during Adult Lap Swim and Family Swim times, and are scheduled based upon instructor availability.

COMMUNITY PROGRAMS

YMCA, school group, or other community group use. There will be no lap lanes available during program times, unless noted otherwise. Call 206.322.6969 for daily activity.

LAP SWIM ETIQUETTE

Circle swimming is required when there are 3+ swimmers in a lane. To swim circles effectively, watch the black center line on the bottom of each lane and stay to the right. Failure to follow rules may lead to lifeguard asking you to leave.

When pushing off the wall, swimmers should leave adequate space between other swimmers and be careful not to push off directly in front of someone else. It will be clear to other swimmers that you are resting if you stop on the wall on the left side of the lane. Swimmers not planning to stop will move to their left to pass on the wall and push off on the right side as their direction changes.

To pass another swimmer, move toward the left, past them, and move back to the right. Faster, more experienced swimmers should watch out for slower swimmers. Slower swimmers still need to follow lap swim etiquette but faster, more experienced swimmers should be able to pass without the slower swimmer having to worry about being in the way.

Sometimes it can be difficult or uncomfortable getting someone's attention so that you can share the lane with them. To be effective, start by standing near the lane in hopes that you will be noticed. If you are not noticed, or you are unsure, put your feet in the left side of the lane (in the same place you would stop to rest). By this time, you should have received a sign of acknowledgement from

SWIMMING POOL RULES
