

Camp Colman

CONNECTING WITH YOUR CAMPER

MAIL AT CAMP

Campers love receiving mail at camp! We recommend sending a letter the Friday before they leave so they get a letter on the first mail day. All mail should be posted by the Tuesday that your child is at camp so that it gets to camp before your camper leaves. The last day campers receive mail is Friday. **If sending care packages, please do not send food! Food or candy will be confiscated and returned at the end of camp.**

PACKAGES & MAIL MAY BE SENT TO:

Camper's Name - Camp Session
YMCA Camp Colman
20016 Bay Road SW
Longbranch, WA 98351

EMAILING YOUR CAMPER & VIEWING PHOTOS

Through your online account in UltraCamp, you may send one-way emails to your camper. We print out emails daily and deliver them at meals. Campers will not have access to computers to reply.

Our Media Team will post photos throughout the week for you to view on our password protected photo site, SmugMug. This information is distributed via email a few days prior to your camper's session, and is also available at check-in locations.
