FAMILY EXCURSION

Let's explore together!

Join our Family Program Supervisor, Alex Wall and Seattle Aquarium volunteers at Lincoln Park for one of the lowest tides of the summer. We will explore and learn about the Puget Sound marine ecosystem through hands on activities and lessons. Your whole family will have a blast outside and learn more about what we can do to help protect these beautiful habitats.

 **WHEN:** Thursday August 1st
11:00-12:30pm
Lower Parking Lot @ Lincoln Park

 **QUESTIONS:** Alex Wall
