TWO BEAUTIFUL LOCATIONS

YMCA CAMP ORKILA
With more than 280 acres of beach, forest and fields on beautiful Orcas Island, Camp Orkila is the perfect place to relax and play. Whatever your family is interested in, Orkila will capture your imagination.

Orkila offers two accommodation options. The Dederer Center cabins have heating and electricity, and are more private with four bedrooms that sleep four participants each in bunk beds. They feature two bathrooms, a cozy lounge, and an equipped kitchen with linens provided.

If rustic is more your style, Main Camp cabins are located on the beach or nestled among the evergreen trees. Fully enclosed, these house 12 participants each (multiple families) in bunk beds, participants provide their own linens. Some cabins have electricity; bathroom facilities with showers are a short walk away.

YMCA CAMP COLMAN
Located on the Case Inlet in Lower Puget Sound, Camp Colman is within easy driving distance from Seattle. With 100 acres of forest, a mile of beachfront and an enclosed saltwater lagoon, Colman is the perfect place to explore nature with your family!

Fully enclosed, heated cabins house 12 participants each (multiple families) in bunk beds, and have their own bathroom and shower, electricity and gas stoves. Participants supply their own linens.

NUTRITIOUS MEALS

Leave the cooking at home! All meals are included and served in our beautiful lodges, beginning with dinner on your first day. Every meal features a healthy, well-balanced menu with high-quality ingredients. Vegetarian selections are always available, and most dietary restrictions can be accommodated.

“Staff are open to anything that is fun and playful and they actively encourage the spirit of play in children and parents.”

Note: If anyone in your family requires any special accommodations, please let us know.
