WELCOME TO FAMILY CAMP

Colman Summer Family Camp 2020
WELCOME TO SUMMER FAMILY CAMP!

We hope that you, your family and friends are all safe and healthy and that your family is looking forward to a chance to get away and enjoy the outdoors together. Your health and safety are our top priorities. We will continue to follow guidelines from national and local agencies to reduce the risk of spreading COVID-19. Families and staff will complete daily health screenings, including temperature checks. Activities will be prescheduled to facilitate physical distancing and structured cleaning of multitouch surfaces. Families will have their own cabin for the duration of their stay. Cabins will be cleaned and disinfected between each use. Meals will either be grab and go or follow procedures related to Washington State’s Phased Reopening Approach. In addition, we will observe federal, state, and county orders around reopening business and physical distancing measures.

We believe in the importance of the camp experience, now as much as ever and look forward to welcoming campers back to camp. The contents of this packet explain further details and we ask you to please review it thoroughly to be best prepared. For additional information, please visit our website at www.campcolman.org, send us an email, campinfo@seattleymca.org or give us a call at 253.884.3884. We’ll see you soon!

ABOUT CAMP

ARRIVAL AND DEPARTURE

For the safety of all, arrival times between 2pm and 6pm and departure times between 8am and noon will be assigned to families in advance. You will receive a survey to indicate your preferences for this as well as activities, and we will confirm your time in advance. As parking space is limited, please follow parking directional signs and staff directions.

COMMUNICATION

Cell phone reception can be spotty at Camp Colman but generally most carriers work. Our camp staff can provide you with a phone to use for emergency calls if necessary. Important incoming messages for participants may be left on the camp voicemail and will be relayed at meal times. The camp number is (253) 884 3844. For emergencies only, the Program Director on Duty can be contacted via cell phone at (206) 390 9838.

CABINS

Upon arrival, you will receive your cabin assignment. The cabins at Camp Colman are fully enclosed with 14 beds with mattresses. The bathrooms are located in the cabin with hot and cold water in the shower, a toilet and sink. For the health & safety of all, campers will be asked to use the restroom in their cabin for all restroom needs.

The cabins have plenty of windows to let in fresh air during the day, and have a gas stove for chilly nights. The cabin will be designated for your family group only and other participants may not enter your cabin during your stay.

MEALTIMES AT CAMP

The first meal is dinner on arrival day and the last meal is breakfast on departure day. To meet physical distancing and health requirements, most meals will be served grab-and-go style to be eaten in cabins or at areas outdoors. Meal times will be assigned by cabin and we’ll ask families to please be on time to pick up your meals. Vegetarian options are always available. Please let us know two weeks in advance if you have any special dietary needs. We may have some limitations in these grab and go meals, so please communicate your needs to us asap.

PERSONAL FOOD

If food is in the cabin, please be sure it is kept in sealed containers like coolers or Rubbermaid bins to reduce the risk of inviting critters in to your cabin. If you plan to do any of your own cooking, please let us know 2 weeks prior so we do not plan for food for those meals for your family. We will have designated areas for personal BBQs. Please let staff know during check-in and they will show you that area.

NUT-FREE CAMP

Due to the prevalence of nut allergies, we strive to make camp a nut-free zone. Please do not bring nut products or anything containing nut oil to camp. Thank you!
CAMP ACTIVITIES

SIGNING UP

Due to physical distancing and cleaning mandates, most activities at Camp Colman will be pre-assigned. You’ll receive an electronic interest survey in the near future. Please note that this will likely mean fewer activities offered for participants than usual. We will offer activities in which we can best ensure the health and safety of participants, which may change based on COVID-related requirements. We anticipate the following activities will be available: arts & crafts, swimming, boating, sports and games, teambuilding challenges and nature activities.

Unfortunately we will be unable to offer high challenge course elements like our giant swing and climbing tower as we will be unable to ensure they are kept clean and sanitary for all users.

We are hopeful current guidelines will allow for group campfires in the evening, and we love to showcase our campers. so feel free to bring along a guitar or to be prepared to share a skit or talent on the stage!
