# Strengthening Communities

THE WASHINGTON STATE ALLIANCE OF YMCAs

## WHO WE ARE

The WA State Alliance of Ys is a collaboration of 15 independent Ys with 48 Y branches.

WA YMCAs are leading nonprofits committed to strengthening community by connecting all people to their potential, purpose and each other. We focus on empowering young people, improving health and well-being, and inspiring action in communities across the state. By bringing together people from different backgrounds, perspectives and generations, we ensure that we all have access to the opportunities, relationships and resources necessary to learn, grow and thrive.
