11. The URL you can use to share fundraising page can be found here. I recommend sending your page out through your email/ social media. You can either use the email function in TeamRaiser or your personal email. You can also share your page on social media with the Social Media Widgets on the side of your page.

The screenshot shows the 'Edit Your Personal Fundraising Page' interface. At the top left is the YMCA logo and the text 'FOR YOUTH DEVELOPMENT® FOR HEALTHY LIVING FOR SOCIAL RESPONSIBILITY'. To the right of the logo is 'YMCA OF GREATER SEATTLE' and a 'HOME' link. A green banner at the top right says 'Welcome, Test!' with links for 'Access Campaigner Center', 'My Profile', and 'Sign Out'. Below the banner is a navigation bar with 'Home', 'Email', 'Progress', and 'Personal Page' tabs. The main content area is titled 'Edit Your Personal Fundraising Page (View Personal Page)'. It includes a 'Personal Page URL' field with the URL 'http://ymcags.convio.net/site/TR/AnnualCampaign/General?px=1001461&pg=personal&fr_id=1050' and a note 'This page is Public'. Below this is a 'Title' field containing 'Together, We Can Build a Better Us.' and a 'Body' field with a rich text editor. The body text reads: 'When you donate to your YMCA, you're investing in your community. Your support provides a place full of opportunities for kids to develop into smart, resilient adults, for people to improve their health and build a sense of community, and for our most vulnerable young people to get the care and support they need. Beyond this place lies a cause: providing opportunities for all to strengthen community, giving people hope for a better future, and the means to achieve it. **Addressing Critical Local Needs** **Developing Smart, Resilient Youth** Your support prepares the next generation of kids to be successful adults. Thanks to the support of caring donors like you, the Y is able to provide programs for our community's youth from birth to graduation and beyond—no matter what their families' financial situations may be.'

12. To the right, you have the option to add photo/video to be displayed on your fundraising page. There is also a preview button at the bottom of the page (below the body) so you can see how your page looks to outside viewers.

You will receive email notifications when a donation is made. Please thank your donors personally! Their gift will automatically be acknowledged by the Y, but a personal note goes a long way.

Other tips/tricks

- Personalize your story and title. What inspires you?
- Continue to communicate with your friends, family, etc. after they've donated. Invite them to events, share success stories, newsletters, bring them in on a tour. Keep them engaged!
