CAMP STORE & STORE MONEY

BUYING ITEMS AT THE STORE

A few times during the week, your camper will have the opportunity to visit the camp store. All store purchases are made through your camper's prepaid store account – so all they have to do when they'd like to make a purchase is tell the sales person their name.

While you are able to add store money to your camper's account at check-in, we encourage you to include store money with your final payment check or credit card total. You can also add money to your camper's account while they are at camp. Instructions on how to do that are located in the Document Center in your UltraCamp account. Please discuss with your camper the amount in their store account. We suggest \$25-40 for a week of camp.

LEADERSHIP DEVELOPMENT INSTITUTE & EXPEDITION CAMPERS

Expedition participants will have the opportunity to visit our store on the first or last day of their session. They can purchase souvenirs and snacks.

REFUNDS OF UNSPENT STORE MONEY

Refunds will be processed at the end of the camp season. When you add store money to your account, you can specify if you would like that money to be refunded to your account, or if you would like to donate remaining funds to our camp scholarship fund. To view a detailed report of your camper's store expenses you can view the "history" section on your store account in UltraCamp.
