

Camp Colman

CONNECTING WITH YOUR CAMPER

MAIL AT CAMP

Campers love receiving mail at camp! We recommend sending a letter the Friday before they leave so they get a letter on the first mail day. All mail should be posted by the Tuesday that your child is at camp so that it gets to camp before your camper leaves. The last day campers receive mail is Friday. **If sending care packages, please do not send food!** Any food that is discovered by staff will have to be discarded due to storage limitations and COVID-19 safety precautions.

PACKAGES & MAIL MAY BE SENT TO:

Camper's Name - Camp Session
YMCA Camp Colman
20016 Bay Road SW
Longbranch, WA 98351

EMAILING YOUR CAMPER & VIEWING PHOTOS

Through your online account in UltraCamp, you may send one-way emails to your camper. Campers will not have access to computers to reply. In an effort to reduce our environmental impact, we will print out emails 2 times for each week-long session, once for short sessions (Tuesdays & Fridays), and deliver them at snack time on those days. We will also have a mailbox available at check-in if you would like to drop a standard letter, greeting card or postcard to be delivered to your camper on the first full day of their camp session.

Due to physical distancing and group sizes our photography opportunities may be more limited than past years. We will take a cabin photo of each cabin and will do our best to take and post additional photos. All photos taken during each session will be posted to our password protected photo sharing site SmugMug.
