CAMP STORE & STORE MONEY

BUYING ITEMS AT THE STORE

A few times during the week, your camper will have the opportunity to visit the camp store. All store purchases are made through your camper's prepaid store account – so all they have to do when they'd like to make a purchase is tell the sales person their name.

While you are able to add store money to your camper's account at all check-in locations, we encourage you to include store money with your final payment check or credit card total. You can also add money to your camper's account while they are at camp. Instructions on how to do that are below. Please discuss with your camper the amount in their store account.

LEADERSHIP DEVELOPMENT INSTITUTE & EXPEDITION CAMPERS

Expedition participants will have the opportunity to visit our store on the first or last day of their session. They can purchase souvenirs and snacks.

REFUNDS OF UNSPENT STORE MONEY

Upon adding store money to your account, you may choose to have unspent money donated to our campership fund for the following summer, or refunded to your account at the end of your camper's session. If you are unsure what you have selected, or want to change your refund method, please contact our office. A detailed report of your camper's store expenses can also be viewed from your online account. If you have any questions, contact the Camping & Outdoor Leadership Office at (206) 382-5009 or campinfo@seattlemca.org. To view a detailed report of your camper's store expenses you can view the "history" section on your store account in UltraCamp.
