SENDING MAIL & PACKAGES

Please allow enough time for the mail to reach your camper before the end of his or her session. **Please do not send any food to campers.** Food in cabins invites unwelcome visitors (animals!). Additionally, we do not serve nuts at camp. Any food or candy containing nuts or processed in a facility with nuts will be disposed of by a staff member.

When sending care packages, encourage your camper to share with the entire cabin. This will help maintain a happy, social dynamic. The last day campers receive mail is Thursday for Friday departures.

Ideas for things to send to your camper include: books, games, cards, address books, small drawing pads, small stuffed animals, and/or items to share with a group.
